for Services, Equipment and/or Software
CONTRACT NUMBER 980-280008

This Amendment No. 2 is made this 26th day of June, 2009, by and between the **GEORGIA TECHNOLOGY AUTHORITY** ("GTA") and **MOTOROLA, INC.** ("Contractor").

WHEREAS, heretofore GTA entered into that certain Agreement for Services, Equipment and/ or Software on December 20, 2007, with respect to certain services to be provided to GTA by Contractor, as more particularly described therein and particularly described therein:

WHEREAS, the parties wish to amend the Agreement to reflect certain changes.

NOW, THEREFORE, in consideration of the premises, the terms and conditions stated herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. Term. The Agreement is hereby amended by extending the Term until **June 30, 2010**.
2. Resellers. This Agreement is hereby amended to add the following as is hereby made apart of the agreement.

Motorola has many dealers and resellers that are authorized to sell certain products directly to end users. In the event that a purchaser desires to purchase from a dealer or reseller, a request will need to be submitted to the authorized Motorola manager for consideration and approval. The dealer or reseller is not permitted to use this agreement without this approval. The purchaser will be responsible for contracting directly with the dealer or reseller and unless stated otherwise on the buyers purchase order, the terms and conditions of this agreement shall apply between the dealer or reseller and the purchaser. Motorola assumes no responsibility or liability related to the contract transaction between the dealer or reseller and the user.

3. Exhibit G - Authorized Resellers. The Agreement is hereby amended to add Exhibit G - Authorized Resellers, and is made a part of this Agreement.
