
Confirm that agreed-upon IT objectives have been met or exceeded, or that progress toward IT goals meets expectations. Where agreed-upon objectives have been missed or progress is not as expected, review management's remedial action. Report to the board relevant portfolios, program and IT performance, supported by reports to enable senior management to review the enterprise's progress toward identified goals.

There are no PSGs published for this topic; however, the topic is under review for future PSGs
