
Establish and regularly update a curriculum for each target group of employees considering:

Identification of Education and Training Needs [1]

? Current and future business needs and strategy

? Value of information as an asset

? Organizational values (ethical values, control and security culture, etc.)

? Implementation of new IT infrastructure and software (i.e., packages, applications)

? Current and future skills, competence profiles, and certification and/or credentialing needs as well as required reaccreditation

? Delivery methods (e.g., classroom, web-based), target group size, accessibility and timing
