GM-11-001

Performance Lifecycle Management Guideline

Issue Date: 1/30/2009

Revision Effective Date: May 30, 2011

PURPOSE

The purpose of this document is to provide a guide to executive branch agencies in Georgia state government for Enterprise Performance Life Cycle (EPLC) management.

This guide provides a framework for state agencies to manage their technology investments² in order to achieve consistently successful outcomes that maximize alignment with enterprise-wide and agency specific goals and objectives.
