

	GEORGIA TECHNOLOGY AUTHORITY	
Title:	Information Technology Review Policy	
PSG Number:	PM-06-001.04	Topical Area: IT Management, Investment Management
Document Type:	Policy	Pages: 1
Issue Date:	9/15/08	Effective Date: 9/15/08
POC for Changes:	GTA Program Management Office	
Synopsis:	This policy establishes GTA review and recommendation process of all information technology initiatives against State goals, plans and with Enterprise IT policies and standards.	

PURPOSE

To ensure that proposed agency information technology initiatives/resource projects are consistent with the State’s strategies and goals, and with enterprise IT policies and standards.

SCOPE and AUTHORITY

See “Information Technology Policies, Standards and Guidelines”, P-04-001.02.

POLICY

1. All information technology acquisitions, upgrades or expansions to existing solutions, and associated agreements shall be consistent with State strategic goals and with the proposing agency’s strategic goals.
2. All information technology acquisitions, upgrades or expansions to existing solutions, and associated agreements shall be in compliance with the enterprise policies and standards established by the Georgia Technology Authority.
3. The Executive Director of the Georgia Technology Authority shall establish standards to implement this policy.
4. GTA shall provide the results of its review and its recommendations to the agency and to the Office of Planning and Budget following IT Review.
