

## SAVE THE DATE

### **The Georgia Cyber Innovation and Training Center Subcontractor Outreach Event**

Augusta Metro Chamber of Commerce  
One Tenth Street, Suite 120, Augusta GA 30901

**Tuesday, May 9, 2017  
10:00 a.m.**

#### **Project Overview**

The Georgia Cyber Innovation and Training Center will be a state-owned, multi-story facility designed to promote modernization in cybersecurity technology for private and public industries through unique education, training, research, and practical applications. The construction of the center will include a 150,000 square-foot building and adjacent multi-level parking structure. The estimated cost for both facility and parking structure is \$62 million. The center will enhance cybersecurity in both the public and private sectors and serve as an incubator for start-up cybersecurity companies. It will also focus on research and development, tapping into the assets of Georgia's research institutions.

#### **Construction Oversight**

The Georgia Technology Authority (GTA) will oversee construction and operation of the Georgia Cyber Innovation and Training Center. Groundbreaking for the center is scheduled for spring 2017, with the opening to follow in July 2018.

#### **Subcontractor Participation**

GTA, in a cooperative partnership with Augusta, Georgia, is committed to the utilization of local, small, and disadvantaged business enterprises in major and second-tier contracting opportunities.

#### **Scope of Work for Subcontractors**

Interval Project Packages will release over the course of the project. A partial list of scopes of work include, but is not limited to: soil treatment; concrete – site work, landscaping and irrigation; concrete – building; masonry; cabinetry; waterproofing; caulking and sealants; roofing; doors; frames and hardware; drywall and acoustical; flooring; painting; access flooring; toilet partitions and accessories; fire extinguishers and cabinets; residential appliances; and window treatments.

#### **Subcontractor Qualification and Information**
